CHRISTMAS DOG & CAT COLLARS

Dress your pet up this year with one of our red & white, stretchy collars (complete with bells!) without breaking your budget. Available in 4 sizes at \$3.99 – 5.99.

BEESWAX CANDLES

We have brought in "Pheylonian Pure Beeswax Candles" in 6 sizes including tea lite candles. These high quality candles are non-toxic and non-allergenic. They do not emit any smoke or soot and burn many times longer than other candles. They give off negative ions (that "clean air" feeling after a rainstorm) that are beneficial for allergies, asthma, sensitivities to mould, mildew and other pollutants. They will naturally freshen the air with the clean smell of beeswax.

These are a great Christmas gift idea!

CUDDLE BUDDIES FOR PETS

These "cherry pit packs" for pets (and people too) can be kept in the freezer and used cold, or heated in the microwave for aches and pains associated with arthritis, achy muscles, recovery from hip and knee surgeries. They can be used warm in your pet's bed (great to soothe kittens or puppies adapting to a new home!)

They are also great for keeping rolls, breads, cookies and muffins warm when you have company coming. The cover is removable and washable. What a great gift idea for a pet or other family member.

RELAX DURING THIS HECTIC SEASON

The "Pet Tracks" compact discs are great for pets and their people. The soothing, relaxing music is just the thing to bring a little quiet into this hectic time of year. Leave the music playing while you are gone to soothe your pet and play it at bedtime to help you wind down after a busy day.

Your choice of 6 discs, only \$9.99 each (or half price with the purchase of a pet calendar while supplies last).
