'TWAS THE NIGHT BEFORE CHRISTMAS AT HEALTHY PAWS'

Twas the night before Christmas and Healthy Paws was closing,
the store shelves were empty and Moxy was dozing.

Not a treat left in sight, not a bed to be had,
those who had shopped too late were surely very sad.

The week before Christmas had been very busy,
and the staff had been running until they were dizzy !!

The cookies were selling, the toys were a flying
Out the door with those who had been busy buying.

Brushes and combs and collars and leashes
and new boots and coats and pretty new dishes.

With the New Year coming, resolutions were planned
and all non-healthy foods were definitely banned.

So, load up those cupboards with low calorie treats,
and natural kibble and other good eats.

Start off the New Year with good health in mind
For kitties and doggies and all of mankind.

As you go to your bed waiting for old Santa Claus,

Thank you and happy holidays from Healthy Paws.

.

Wishing you a blessed Christmas and a healthy New Year,

Mike, Lee, Jayne, Moxy & Ilsa
